IPO Lock-Up Agreement

Pursuant to lock-up agreements entered into with Goldman Sachs & Co. LLC, Cowen and Company, LLC, and Evercore Group L.L.C. in connection with the IPO and dated September 15, 2021 (the "IPO Lock-Up Agreement"), each of the Funds agreed that, without the prior written consent of these underwriters and subject to various exceptions contained in the IPO Lock-Up Agreement, they will not, from the date of the IPO Lock-Up Agreement until 180 days after the date of the final prospectus relating to the IPO, (i) offer, sell, contract to sell, pledge, grant any option to purchase, lend or otherwise dispose of any shares of Common Stock, or any options or warrants to purchase any shares of Common Stock, or any securities convertible into, exchangeable for or that represent the right to receive shares of Common Stock (such options, warrants or other securities, collectively, "Derivative Instruments"), (ii) engage in any hedging or other transaction or arrangement (including, without limitation, any short sale or the purchase or sale of, or entry into, any put or call option, or combination thereof, forward, swap or any other derivative transaction or instrument, however described or defined) which is designed to or which reasonably could be expected to lead to or result in a sale, loan, pledge or other disposition (whether by the undersigned or someone other than the undersigned), or transfer of any of the economic consequences of ownership, in whole or in part, directly or indirectly, of any shares of Common Stock or Derivative Instruments, whether any such transaction or arrangement (or instrument provided for thereunder) would be settled by delivery of Common Stock or other securities, in cash or otherwise (any such sale, loan, pledge or other disposition, or transfer of economic consequences, a "Transfer") or (iii) otherwise publicly announce any intention to engage in or cause any action or activity described in clause (i) above or transaction or arrangement described in clause (ii) above.

The foregoing description of the IPO Lock-Up Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the IPO Lock-Up Agreement, which is incorporated by reference as Exhibit 99.2 hereto and is incorporated herein by reference.

Investors' Rights Agreement

The Funds and certain other stockholders of the Issuer entered into an Amended and Restated Investors' Rights Agreement with the Issuer (the "Investors' Rights Agreement"), dated as of March 29, 2021. Subject to the terms of the Investors' Rights Agreement, holders of shares in the Issuer having registration rights ("Registrable Securities") can demand that the Issuer file a registration statement or request that their shares be covered by a registration statement that the Issuer is otherwise filing, as detailed below.

Demand Registration Rights

If, beginning 180 days after the effective date of the registration for the IPO, the Issuer receives written request from the Holders (as defined in the Investors' Rights Agreement) of a majority of the shares of the Registrable Securities (as defined in the Investors' Rights Agreement) then outstanding (the "Initiating Holders") that the Issuer file a Form S-1 registration statement under the Securities Act of 1933 (the "Securities Act") with respect to Registrable Securities owned by such Holder or Holders having an anticipated aggregate offering price, net of Selling Expenses (as defined in the Investors' Rights Agreement), exceeding \$15 million, then the Issuer shall (i) within ten (10) days after the date such request is given, give notice thereof (the "Demand Notice") to all Holders other than the Initiating Holders; and (ii) as soon as practicable, and in any event within sixty (60) days after the date such request is given by the Initiating Holders, file a Form S-1 registration statement under the Securities Act covering all Registrable Securities that the Initiating Holders requested to be registered and any additional Registrable Securities requested to be included in such registration by any other Holders.

The Issuer shall not be obligated to effect, or to take any action to effect, any demand registration in certain instances specified in the Investors' Rights Agreement, including after the Issuer has effected two Form S-1 demand registrations.

Form S-3 Demand Registration Rights

If at any time when it is eligible to use a Form S-3 registration statement, the Issuer receives a request from Holders of at least fifteen percent (15%) of the Registrable Securities then outstanding that the Issuer file a Form S-3 registration statement with respect to outstanding Registrable Securities of such Holders having an anticipated aggregate offering price of at least \$5 million, net of Selling Expenses, then the Issuer shall (i) within ten (10) days after the date such request is given, give a Demand Notice to all Holders other than the Initiating Holders; and (ii) as soon as practicable, and in any event within forty-five (45) days after the date such request is given by the Initiating Holders, file a Form S-3 registration statement under the Securities Act covering all Registrable Securities requested to be included in such registration by any other Holders.

The Issuer shall not be obligated to effect, or to take any action to effect, any Form S-3 demand registration in certain instances specified in the Investors' Rights Agreement, including if the Issuer has effected two Form S-3 demand registrations within the twelve month period immediately preceding the date of such request.

Piggyback Registration Rights

If the Issuer proposes to register any of its Common Stock in connection with the public offering of such securities by the Issuer solely for cash, the Issuer shall, at such time, promptly give each Holder written notice of such registration. Upon the written request of each Holder given within twenty (20) days after such notice is given by the Issuer, the Issuer shall, subject to certain limitations, cause to be registered all of the Registrable Securities that each such Holder has requested to be registered in such registration.

Termination

No Holder shall be entitled to exercise any registration rights on the date which is the earlier of: (i) the closing of a Deemed Liquidation Event, as such term is defined in the Issuer's Certificate of Incorporation; (ii) such time after the consummation of the IPO as Rule 144 or another similar exemption under the Securities Act is available for the sale of all such Holder's shares without limitation during a three-month period without registration; or (iii) the fifth anniversary of the IPO.

The foregoing description of the Investors' Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Investors' Rights Agreement, which is incorporated by reference as Exhibit 99.3 hereto and is incorporated herein by reference.

Letter Agreement Dated November 3, 2021

Pursuant to the Advisor's Letter Agreement with the Issuer, as described in Item 4 above, the Adviser and the Issuer agreed that the Issuer would invite one individual, designated in writing by the Adviser by written notice to the Issuer, to attend all meetings of the Issuer's Board of Directors in a nonvoting observer capacity and to give such observer copies of all notices, minutes, consents, and other materials that it provides to its directors at the same time and in the same manner as provided to such directors. The Issuer's obligations pursuant to the Letter Agreement are contingent upon such observer (i) entering into a confidentiality agreement with the Issuer and the observer and (ii) agreeing, solely in such individual's capacity as an observer, to be bound by the Issuer's insider trading policies and procedures then in effect. Additionally, the Issuer may (subject to providing notice to the Adviser of the exercise of such right) withhold any information and exclude such observer from any meeting or portion thereof if access to such information or attendance at such meeting (i) could adversely affect the attorney-client, work product or similar privilege between the Issuer and its counsel, (ii) to comply with the terms and conditions of confidentiality agreements between the Issuer and any third parties, (iii) result in disclosure of trade secrets or a conflict of interest, or (iv) if the Adviser or its representative is a competitor of the Issuer. The Adviser's rights to designate an observer under the Letter Agreement terminate upon the earlier of (i) such time as the Adviser, including funds it manages, owns less than 50% of its investment in the Issuer in connection with the IPO or (ii) November 9, 2024.
